

Announcement of the third G-RISC International Student Conference

“Science and Progress 2014”

The International Student Conference “Science and Progress” in the framework of the German-Russian Interdisciplinary Science Center (**G-RISC**) will be held *in St. Petersburg (Peterhof) in November, 10-14, 2014.*

The aim of this conference is development of deep collaboration between students and young researchers from Russia and Germany and raising the level of the student scientific investigations by intense discussion between young researchers and professors from both countries with presentation of overview lectures by professors from Russia and Germany in the most actual and interesting fields of science. The idea of the conference is a union of investigations in physics, geophysics, chemistry and mathematics and to reveal the most actual and modern problems and directions of interdisciplinary investigations.

The results will be presented in overview lectures, oral talks and posters.

Organizers:

Saint-Petersburg State University,

Freie Universität Berlin,

Funding: DAAD and Federal Foreign Office of Germany

Program Committee:

Dr. A. A. Manshina, Faculty of Chemistry, SPbSU

Prof. V. N. Troyan, Faculty of Physics, SPbSU

Prof. V. Reitmann, Faculty of Mathematics and Mechanics, SPbSU

Prof. A. P. Baraban, Faculty of Physics, SPbSU

Dr. A. S. Chirtsov, Faculty of Physics, SPbSU

Prof. N. A. Timofeev, Faculty of Physics, SPbSU

Prof. Yu. M. Pismak, Faculty of Physics, SPbSU

Prof. N. V. Tsvetkov, Faculty of Physics, SPbSU

Prof. V. I. Chizhik, Faculty of Physics, SPbSU

Organizing committee:

Prof. A.M. Shikin, Coordinator of G-RISC in SPbSU

Prof. E. Rühl, Coordinator of G-RISC in FU Berlin

E. Serova, G-RISC office in SPbSU, Head of Academic Mobility Department in Peterhof

T. Zalialiutdinov, G-RISC office in SPbSU
M. Rusinova, G-RISC office in SPbSU

Deadline for sending application is

October, 05, 2014 – for participants from Germany (in order to have enough time for preparation of the invitation letter and getting of the visa)

October, 15, 2014 – for participants from Russia

Sections of the Conference:

A. Chemistry

Heads – Dr. A. A. Manshina, Chemical Faculty of SPbSU,

B. Geo- and Astrophysics

Heads – Prof. V.N. Troyan, Physical Faculty of SPbSU,

Prof. N.R. Ikhsanov, Faculty of Mathematics and Mechanics of SPbSU

C. Mathematics and Mechanics

Prof. V. Reitmann, Mathematical and Mechanics Faculty of SPbSU

D. Solid State Physics

Heads – Prof. A.P. Baraban, Physical Faculty of SPbSU

Prof. A.M. Shikin, Physical Faculty of SPbSU

E. Applied Physics

Head – Prof. A.S. Chirtsov, Physical Faculty of SPbSU

F. Optics and Spectroscopy

Head – Prof. N. A. Timofeev, Physical Faculty of SPbSU

G. Theoretical, Mathematical and Computational Physics

Head – Prof. Yu.M. Pismak, Physical Faculty of SPbSU

H. Biophysics

Head – Prof. Tsvetkov N.V., Physical Faculty of SPbSU

I. Resonance Phenomena in Condensed Matter

Head – Prof. V.I. Chizhik, Physical Faculty of SPbSU

Very exciting **EXCURSIONS** for participants of the Conference are planned!

If you would like to participate in the conference “Science and Progress”, please find attached the registration form.

Please fill out **the registration form** and send to e-mail g-risc@phys.spbu.ru with your **abstract**. It will help us with forming of the Conference Program. We hope very much to see you at the Conference.

The template of abstract and the further information can be found on the websites:

<http://www.g-risc.org>

<http://www.phys.spbu.ru/grisc/science-and-progress.html>

NOTE:

- 1) All participants are released from registration fee.
- 2) Free of charge accommodation is assumed in the hotel (Peterhof) for invited lecturers and in the university campus for foreign participants and participants from other cities of Russia.
- 3) Free meals are assumed for foreign participants and participants from other cities of Russia.
- 4) Free of charge excursion program is assumed for all participants of the conference.
- 5) For travel support you can address to G-RISC office at Freie University Berlin (Prof. Dr. Eckart Ruehl, e-mail: office@g-risc.org, ruehl@chemie.fu-berlin.de)

We hope very much to seeing you at the Conference!

“G-RISC ANNUAL MEETING 2014” will be held **on 12th of November, 2014** at Physical Faculty of SPbSU in St. Petersburg (Peterhof). The report on the activities and the development prospects of G-RISC will be discussed at the Annual Meeting. The scientific reports of the best participants of G-RISC project will be presented. Moreover, you can get more information about G-RISC and ask Coordinators any questions.

Organizing Committee
